

## 2023 AICF Conference Grant Guidelines

The Irish Department of Foreign Affairs has graciously awarded us with a \$40,000 grant to be used to assist each festival that attends the 2023 AICF Conference in Galway with their cost of attending. There is an expectation of each of the award recipients that they will book one, or more, of the showcase entertainers in the following two years at their festival. The \$40,000 will be evenly distributed among each of those festivals who apply for the grant and attend the conference. To be eligible, the festival applying must have held a festival in 2023 with more than 1000 attendees and have committed to hold a festival in the subsequent two years. Payments will be mailed out shortly after the conference.
